

**General Memo – Precautionary Measures for Marine Cargo / Hull**

**Dear Valued Partners,**

In view of the recent escalation of hostilities in the Middle East and Persian Gulf region, the company is taking **precautionary measures** to mitigate potential exposure on marine shipments.

**With immediate effect:**

**We do not accept new cargo or hull exposures** originating from, destined to, or transiting through the following regions:

1. Iran, Iraq, Israel, Kuwait, Bahrain, Lebanon, Oman, Qatar, Saudi Arabia (Gulf & Red Sea coasts), Syria, Turkey, United Arab Emirates, Yemen, Djibouti
2. Persian / Arabian Gulf, Gulf of Oman, Indian Ocean (west of Oman to Iran-Pakistan line), Gulf of Aden, Southern Red Sea

These measures are precautionary to manage potential risks arising from the current security situation and ensure the company maintains prudent exposure levels.

For any questions or clarification, please contact our Head Office Underwriters.

Thank you and we look forward to your continuous business support.
